Summer Camp Price

June 21st-23rd or July 6th-8th or July 20th-22nd \$250

NO ADVANCED CAMP THIS YEAR

The advanced camp is a weekend camp/sleepover for riders who already train with us. The riders must be comfortable riding bareback, cantering in open fields, trail riding and getting on ANY and all types of horses. They must also be willing to work hard, accustomed to staying up late and getting up early...the days are long and fun, but also a lot of hard work. They may also go to the river and off site for activities. The cost is \$300. You will be required to send food and other supplies needed for the weekend.

Activities:

Our summer camp will include all levels of riders. We welcome children 5 years old and up. Along with riding and learning about horses and their care, our campers will be participating in activities such as painting horses, arts and crafts, relay races, popsicle parties, movies, cooking, and so on. We will play games such as an Egg and Spoon on horses, feed sack racing, and Horseless Jumping. Campers will also learn how to practice being safe around horses, enjoy water balloon races, compete in sponge and bucket relays, ride a buck, play musical stalls, and much more.

Lunch will NOT be provided due to possible allergies and dietary needs. All children will need to bring a lunch and plenty of drinks if they do not want water. Water will be provided near the ring when the children are mounted. Please call or text 850-449-6586, or call our landline, 850-995-8898 for more information.

This year we are also having an evening camp and a day camp for beginners. We will be riding, playing games and then when the sun goes down or when it gets too hot we will watch movies on the lawn or doing an inside activity. Please bring a chair, blanket, mat, float, bean bag, or anything to sit on. The kids are welcome to bring special snacks. We will have popcorn and a box of movie candy per child for the evening campers. We will have lemonade or water during the movie, and ringside. They are welcome to bring soda or anything else they would like to drink or eat if they want more, or a variety other than what we will offer.

*Please send these items with your child **daily**:*

For Riding:

- Sturdy long pants, preferably riding pants (NO JEANS WITH ANY “BLING” ON THE POCKETS. This will scratch the saddles.)
- A short-sleeved shirt
- Boots: It's not necessary to purchase riding boots, but you should choose a sturdy shoe or boot with a sole that is neither too thick nor too thin and has a heel of 1 to 1 ½ inches. Tennis shoes are NOT appropriate for riding.
- Riding helmet: We have plenty of helmets at the stable, but you are welcome to bring your own ASTM/SEI approved helmet.

Other Clothing & Items (in some type of bag):

- An extra set or two of clothes in case your child gets dirty, wet, or will be painting (please let your child know which clothes they are allowed to wear when they are painting)
- Closed-toed shoes, such as tennis shoes, to wear when they are not riding and flip flops (only to be worn when your child is INSIDE, NEVER AROUND HORSES)
- A hat with a brim, sunglasses, and/ or sunvisers
- A raincoat (as needed)
- Sunscreen
- Insect repellent
- A refillable water bottle with their name on it, or a recognizable design.
- A lunch (we have a refrigerator and a microwave to store drinks and to heat up food)

PLEASE LABEL ALL PERSONAL ITEMS!
